- II. Conduct of Debate, 6-12
- III. Motions, 13-18
- IV. Previous Question, 19-20
- V. Voting, 21-26
- VI. Committees, 27-31
- VII. Handling of Bills, 32-45
- VIII. Legislative Officers and Employees, 46-50
- IX. Privileges of the Hall, 51-54
- X. General Rules, 55-61

I. Order of Business

RULE 1. *Convening Hour.* The House shall convene each legislative day at the hour fixed by the House. In the event the House adjourns on the preceding legislative day without having fixed an hour for reconvening, the House shall convene on the next legislative day at twelve o'clock noon.

RULE 2. *Opening the Session.* At the convening hour on each legislative day the Speaker shall call the members to order and shall have the session opened with prayer.

RULE 3. *Quorum.* (a) A quorum consists of a majority of the qualified members of the House.

(b) On the point of no quorum's being raised, the doors shall be closed and the Clerk shall call the roll of the House, after which the names of those not responding shall again be called. In the absence of a quorum, fifteen members are authorized to compel the attendance of absent members and may order that absentees for whom no sufficient excuses are made be taken into custody wherever they may be found by special messenger appointed for that purpose.

RULE 4. *Approval of Journal.* The Rules Committee shall cause the Journal of the House to be examined daily before the hour of convening to determine if the proceedings of the previous day have been correctly recorded.

Immediately following the opening prayer and upon appearance of a quorum, the Speaker shall call for the Journal report of the Rules Committee as to whether the proceedings of the previous day have been correctly recorded. Without objection, the Speaker shall cause the Journal to stand approved.

RULE 5. *Order of Business of the Day.* After the approval of the Journal of the preceding day, the House shall proceed to business in the following order:

- (1) The receiving of petitions, memorials and papers addressed to the General Assembly or to the House.
- (2) Reports of standing committees.
- (3) Reports of select committees.

- (4) Introduction of Resolutions.
- (5) Introduction of Bills.
- (6) The unfinished business of the preceding day.
- (7) Bills, resolutions, petitions, memorials, messages, and other papers on the Calendar in their exact numerical order, unless displaced by the order of the day; but messages, and motions to elect officers shall always be in order.
- (8) Reading of Notices and Announcements.

II. Conduct of Debate

RULE 6. Duties and Powers of the Speaker.

(a) The Speaker shall have general direction of the Hall. He may name any member to perform the duties of the Chair, but substitution shall not extend beyond one day, except in the case of sickness or by leave of the House.

(b) In the event the Speaker, by reason of physical or mental incapacity, is unable to perform the duties of the Chair, the Chairman of the Rules Committee shall be Speaker pro tempore, and shall perform all of the duties of the Speaker until such time as the Speaker may assume the Chair.

RULE 7. Obtaining Floor. (a) When any member desires recognition for any purpose, he shall rise from his seat and respectfully address the Speaker. No member shall proceed until recognized by the Speaker.

(b) When a member desires to interrupt a member having the floor, he shall first obtain

recognition by the Speaker and permission of the member occupying the floor, and when such recognition and permission have been obtained, he may propound a question to the member occupying the floor; but he shall not otherwise interrupt the member having the floor; and the Speaker shall, without the point of order being raised, enforce this rule.

RULE 8. *Questions of personal privilege.* At any time, upon recognition by the Speaker, any member may speak to a question of personal privilege. The Speaker shall determine if the question is one of privilege.

RULE 9. *Points of Order.* (a) The Speaker shall decide questions of order and may speak to points of order in preference to other members arising from their seats for that purpose. Any member may appeal from the ruling of the Chair on questions of order; on such appeal no member may speak more than once, unless by leave of the House. A two-thirds ($\frac{2}{3}$) vote of the members present shall be necessary to sustain any appeal from the ruling of the Chair.

(b) When the Speaker calls a member to order, the member shall take his seat except that a member called to order may clear a matter of fact, or explain, but shall not proceed in debate so long as the decision stands. If the member appeals from the ruling of the Chair and the decision by a two-thirds ($\frac{2}{3}$) vote of the members present be in favor of the member called to order, he may proceed; if otherwise, he shall not; and if the case, in the judgment of the House, requires it, he shall be liable to censure by the House.

RULE 10. *Limitations on Debate.* No member shall speak more than twice on the main question, nor longer than thirty minutes for the first speech and fifteen minutes for the second speech, unless allowed to do so by the affirmative vote of a majority of the members present; nor shall he speak more than once upon an amendment or motion to commit or postpone, and then not longer than ten minutes. However, the House may, by consent of a majority of the members present, suspend the operation of this rule during any debate on any particular question before the House, or the Rules Committee may bring in a special rule that shall be applicable to the debate on any bill.

RULE 11. *Reading of papers.* When there is a call for the reading of a paper which has been read in the House, and there is objection to such reading, the question shall be determined by a majority vote of the members of the House present.

RULE 12. *General Decorum.* (a) The Speaker shall preserve order and decorum.

(b) Decency of speech shall be observed and personal reflection carefully avoided.

(c) When the Speaker is putting any question, or addressing the House, no person shall speak, stand up, walk out of or cross the House, nor when a member is speaking, engage in private discourse or pass between the member and the Chair.

(d) Smoking or the consumption of food or beverages shall not be permitted on the floor of the House while the House is in session.

(e) Smoking or the consumption of food or beverages shall not be permitted in the galleries at any time.

III. Motions

RULE 13. Motions Generally. (a) Every motion shall be reduced to writing, if the Speaker or any two members request it.

(b) When a motion is made, it shall be stated by the Speaker, or, if written, it shall be handed to the Chair and read aloud by the Speaker or Clerk before debate.

(c) After a motion has been stated by the Speaker or read by the Speaker or Clerk, it shall be in the possession of the House; but it may be withdrawn before a decision or amendment, except in case of a motion to reconsider, which motion, when made by a member, shall be in possession of the House and shall not be withdrawn without leave of the House.

RULE 14. Motions, Order of Precedence. When there are motions before the House, the order of precedence is as follows:

To adjourn

To lay on the table

To postpone indefinitely

Previous question

To postpone to a day certain

To commit

To amend an amendment

To amend

To substitute

To pass the bill

No motion to lay on the table, to postpone indefinitely, to postpone to a day certain, to commit or to make a particular amendment, being decided, shall be again allowed at the same stage of the bill or proposition.

RULE 15. Motion to Adjourn. (a) A motion to adjourn shall be seconded before the motion is put to the vote of the House.

(b) A motion to adjourn shall be decided without debate, and shall always be in order, except when the House is voting or some member is speaking; but a motion to adjourn shall not follow a motion to adjourn until debate or some other business of the House has intervened.

RULE 16. Motion to Table. (a) A motion to table shall be seconded before the motion is put to the vote of the House and is in order except when a motion to adjourn is before the House.

(b) A motion to table shall be decided without debate.

(c) A motion to table a bill shall constitute a motion to table the bill and all amendments thereto.

(d) A motion to table an amendment shall not be construed as a motion to table the principal bill or any other amendment which has been offered thereto, and if such motion is carried, only the amendment shall lie upon the table.

(e) When a question has been tabled, the same shall not be acted upon again during the session except by two-thirds ($\frac{2}{3}$) vote.

RULE 17. *Motion to Postpone Indefinitely.*

A motion to postpone indefinitely is in order except when a motion to adjourn or to lay on the table is before the House. However, after one motion to postpone indefinitely has been decided, another motion to postpone indefinitely shall not be allowed at the same stage of the bill or proposition. When a question has been postponed indefinitely, the same shall not be acted on again during the session, except upon a two-thirds ($\frac{2}{3}$) vote.

RULE 18. *Motion to Reconsider.* (a) When a motion has been once made and decided, it is in order for any member of the majority to move for the reconsideration thereof, on the same or the succeeding legislative day, unless it shall have subsequently passed the Senate; provided, that unless the vote by which the motion was originally decided was taken by a call of the ayes and noes, any member may move to reconsider.

(b) A motion to reconsider shall be determined by a majority vote, except a motion to reconsider a motion tabling a motion to reconsider, which shall require a two-thirds ($\frac{2}{3}$) vote.

(c) A motion to reconsider a motion made under Rules 16, 17, 38, 42 and 43 shall require a two-thirds ($\frac{2}{3}$) vote.

IV. Previous Question

RULE 19. *Previous Question.* The previous question may be called only by the member submitting the report on the bill or other matter

under consideration, by the member(s) introducing the bill or other matter under consideration, or by the member in charge of the measure, who shall be designated by the chairman of the committee reporting the same to the House at the time the bill or other matter under consideration is reported to the House or taken up for consideration.

RULE 20. Form and Effect of Previous Question. (a) The previous question shall be as follows: "Shall the main question now be put?" When the call for the previous question has been decided in the affirmative by a majority vote of the House, the "main question" is on the passage of the bill, resolution or other matter under consideration.

(b) The call for the previous question shall preclude all motions, amendments and debate, except the motion to adjourn or motion to table or motion to postpone indefinitely made prior to the determination of the previous question.

(c) If the previous question is decided in the negative, the main question remains under debate.

V. Voting

RULE 21. Stating Questions. (a) The Speaker shall rise to put a question.

(b) The question shall be put in this form, namely, "Those in favor (as the question may be) will say 'Aye,'" and after the affirmation voice has been expressed, "Those opposed will say 'No'."

(c) Any member may call for a question to be divided into two or more propositions to be voted on separately, and the Speaker shall determine whether the question admits of such a division.

RULE 22. *Determining Questions.* Unless otherwise provided by the Constitution of North Carolina, all questions shall be determined by the members present and voting.

RULE 23. *Voting by Division.* Any member may call for a division of the members upon the question before the result of the vote has been announced. Upon a call for a division, the Speaker shall cause the number voting in the affirmative and in the negative to be determined. Upon a division and count of the House on any question, no member away from his seat shall be counted.

RULE 24. *Roll Call Vote.* (a) Before a question is put, any member may call for the ayes and noes. If the call is sustained by one-fifth (1/5) of the members present, the question shall be decided by the ayes and noes upon a roll call vote, taken alphabetically.

(b) Every member who is in the hall of the House when the question is put shall give his vote upon a call of the ayes and noes, unless the House for special reasons shall excuse him and no application to be excused from voting or to explain a vote shall be entertained unless made before the call of the roll.

RULE 25. Voting by Absentees. (a) No member shall vote on any question when he was not present when the question was put by the Speaker, except by the consent of the House.

(b) If any member is necessarily absent on business of the House when a vote is taken upon any question, upon entering the House he shall be permitted, on request, to vote, provided that the result shall not be affected thereby.

(c) When a member who is present is paired with an absent member, he shall announce before the roll call is commenced that when his name is reached he desires to announce a pair and the name of the absent member with whom he is so paired. When his name is called on the roll call vote, he shall announce such pair by stating the name of the absent member with whom he is paired, how such absent member would vote if he were present and how the present member votes. The Principal Clerk shall record all of this information in the Journal, but the vote of neither party to the pair shall be included in the total vote as announced by the Speaker or recorded in the Journal.

RULE 26. Voting by Speaker. In all elections the Speaker may vote. In all other instances he may exercise his right to vote, or he may reserve this right until there is a tie, but in no instance may he vote twice on the same question.

VI. Committees

RULE 27. Committees Generally. (a) All committees shall be appointed by the Speaker, unless otherwise specially ordered by the House.

(b) Any member may excuse himself from serving on any committee if he is a member of two standing committees.

(d) In any joint meeting of the Senate and House committees, the House Committee may in its discretion reserve the right to vote separately.

RULE 29. Standing Committee Meetings.

(a) Standing committees and subcommittees of standing committees shall be furnished with suitable meeting places pursuant to a schedule adopted by the Rules Committee.

(b) Subject to the provisions of the subsections (c) and (d) of this Rule, standing committees and subcommittees thereof shall permit other members of the General Assembly, the press, and the general public to attend all sessions of said committees or subcommittees.

(c) The chairman or other presiding officer shall have general direction of the meeting place of the committee or subcommittee and, in case of any disturbance or disorderly conduct therein, or if the peace, good order, and proper conduct of the legislative business is hindered by any individual or individuals, the chairman or presiding officer shall have power to exclude from the session any individual or individuals so hindering the legislative business or, if necessary, to order the meeting place cleared of all persons not members of the committee or subcommittee.

(d) Upon the affirmative vote of a majority of the members of any standing committee or subcommittee, executive sessions may be held, but in no event shall final action be taken in executive sessions.

(e) Procedure in the committees shall be governed by the rules of the House, so far as the same may be applicable to such procedure,

except that roll call votes may not be required in committee or subcommittee meetings.

RULE 30. Committee Hearings. The Chairmen of all committees shall notify, or cause to be notified, the first named introducer on such bills as are set for hearing before their respective committees as to the date, time and place of such hearing.

RULE 31. Committee of the Whole House.
(a) A Committee of the Whole House shall not be formed, except by suspension of the rules, if there be objection by any member.

(b) After passage of a motion to form a Committee of the Whole House, the Speaker shall appoint a chairman to preside in committee, and the Speaker shall leave the Chair.

(c) The rules of procedure in the House shall be observed in the Committee of the Whole House, so far as they may be applicable, except the rule limiting the time of speaking and the previous question.

(d) In the Committee of the Whole House a motion that the committee rise shall always be in order, except when a member is speaking, and shall be decided without debate.

(e) When a bill is submitted to the Committee of the Whole House, it shall be read and debated by sections, leaving the preamble to be last considered. The body of the bill shall not be defaced or interlined, but all amendments, noting the page and line, shall be duly entered by the Clerk on a separate paper as the same shall be agreed to by the committee, and be so reported to the House. After report, the bill

shall again be subject to be debated and amended by sections before a question on its passage be taken.

VII. Handling of Bills

RULE 32. Reference to Committee. Each bill, joint resolution, or House resolution not introduced on the report of a committee shall immediately upon its introduction be referred by the Speaker to such committee as he deems appropriate.

RULE 33. Introduction of Bills and Resolutions. (a) Every bill shall be introduced in regular order of business, except upon permission of the Speaker or on the report of a committee.

(b) Any member introducing a bill or resolution shall briefly state in the caption the substance of same and the caption shall not be amended.

(c) A Substitute Bill shall be covered with the same color jacket as the original bill and shall be prefaced as follows: "House Substitute for" or "House Committee Substitute for ____."

RULE 34. Papers addressed to the House. Petitions, memorials and other papers addressed to the House shall be presented by the Speaker. A brief statement of the contents thereof may be orally made by the introducer before reference to a committee, but such papers shall not be debated or decided on the day of their first being read unless the House shall direct otherwise.

RULE 35. *Introduction of Bills, Copies Required.* (a) Whenever any resolution or bill is introduced, a duplicate copy thereof shall be attached thereto, and the Principal Clerk shall cause said duplicate copy to be numbered as the original resolution or bill is numbered, and shall cause the same to be available at all times to the member introducing the same.

(b) Numbering of House Bills shall be designated as "H.B. ____" (No. following). A Joint Resolution shall be designated as "H.J.R. ____" (No. following). A House Resolution shall be designated as "H.R. ____" (No. following).

(c) Whenever a public bill is introduced, it shall be in such form and have such copies accompanying same as designated by the Speaker, and any bill submitted without the required number of copies shall be immediately returned to the introducer. The Clerk shall stamp the copies with the number stamped upon the original bill.

RULE 36. *Duplicating of Bills.* The Principal Clerk shall cause such bills as are introduced to be duplicated in such numbers as may be specified by the Speaker. On the morning following the delivery of the copies, the Principal Clerk shall cause the Chief Page to have one copy put upon the desk of each member, one copy put in the office of each member, and shall retain the other copies in his office. A sufficient number of copies for the use of the committee to which the bill is referred shall be delivered to the chairman or clerk of that committee by the Chief Page. If the bill is passed

by the House, the Principal Clerk shall deliver the remaining copies to the Principal Clerk of the Senate for the use of the Senate.

RULE 37. *Report by Committee.* All bills and resolutions shall be reported from the committee to which referred, with such recommendations as the committee may desire to make.

(a) *Favorable Report.* When a committee reports a bill with the recommendation that it be passed, the bill shall be placed on the favorable calendar.

(b) *Report Without Prejudice.* When a committee reports a bill without prejudice, the bill shall be placed on the favorable calendar.

(c) *Unfavorable Report.* When a committee reports a bill with the recommendation that it be not passed, and no minority report accompanies it, the bill shall be placed on the unfavorable calendar.

(d) *Minority Report.* When a bill is reported by a committee with a recommendation that it be not passed, but it is accompanied by a minority report signed by at least one-fourth ($\frac{1}{4}$) of the members of the committee who were present and voting when the bill was considered in committee, the question before the House shall be: "The adoption of the minority report." If the minority report is adopted by majority vote, the bill shall be placed on the favorable calendar for consideration. If the minority report fails of adoption by a majority vote, the bill shall be placed on the unfavorable calendar.

RULE 38. *Removing Bill from Unfavorable Calendar.* A bill may be removed from the un-

favorable calendar upon motion carried by a two-thirds ($\frac{2}{3}$) vote. A motion to remove a bill from the unfavorable calendar is not debatable; but the movant may, before making the motion, make a brief and concise statement, not more than five minutes in length, of the reasons for the motion.

RULE 39. *Reports on Appropriation and Revenue Bills.* All committees, other than the Committee on Appropriations, when favorably reporting any bill which carries an appropriation from the State, shall indicate same in the report, and said bill shall be referred to the Committee on Appropriations for a further report before being acted upon by the House. All committees, other than the Committee on Finance, when favorably reporting any bill which in any way or manner raises revenue or levies a tax or authorizes the issue of bonds or notes, whether public, public-local, or private, shall indicate same in the report, and said bill shall be referred to the Committee on Finance for a further report before being acted upon by the House.

RULE 40. *Recall of Bill from Committee.* When a bill has been introduced and referred to a committee, if after ten legislative days the committee has failed to report thereon, then the introducer of the bill or some member designated by him may, after three legislative days' public notice given in the House, on motion supported by a vote of two-thirds ($\frac{2}{3}$) of the members present and voting, recall the same from the committee to the floor of the House for consideration and such action thereon as a majority of the members present may direct.

RULE 41. *Calendars.* The Clerk of the House shall keep a separate calendar of the public, local, and private bills, and shall number them in the order in which they are introduced, and all bills shall be disposed of in the order they stand upon the Calendar; but the Committee on Rules may at any time arrange the order of precedence in which bills may be considered.

RULE 42. *Readings of Bills.* (a) Every bill shall receive three readings in the House prior to its passage. The introduction of the bill shall constitute its first reading, and the Speaker shall give notice at each subsequent reading whether it be the second or third reading.

(b) No bill shall be read more than once on the same day without the concurrence of two-thirds ($\frac{2}{3}$) of the members present and voting.

RULE 43. *Effect of Defeated Bill.* (a) Subject to the provisions of subsection (b) of this Rule, after a bill has been tabled or has failed to pass on any of its readings, the contents of such bill or the principal provisions of its subject matter shall not be embodied in any other measure. Upon the point of order being raised and sustained by the Chair, such measure shall be laid upon the table, and shall not be taken therefrom except by a two-thirds ($\frac{2}{3}$) vote.

(b) No local bill shall be held by the Chair to embody the provisions of or to be identical with any statewide measure which has been laid upon the table, or failed to pass any of its readings.

RULE 44. *Amendments and Riders.* No amendment or rider to a bill before the House shall be in order unless such rider or amendment is germane to the bill under consideration.

Only one principal (first degree) amendment shall be pending at any one time. If a subsequent or substitute principal amendment shall be offered, the Speaker shall rule it out of order. However, any member desiring to offer a subsequent or substitute principal amendment in opposition to the pending amendment may inform the House by way of argument against the pending amendment that if it is defeated he proposes to offer another principal amendment, and he may then read and explain such proposed amendment.

Perfecting (or second degree) amendments may be offered and considered without limitation as to number, and in the event of multiple perfecting amendments, they shall be voted upon in inverse order.

RULE 45. *Conference Committees.* (a) Whenever the House shall decline or refuse to concur in amendments put by the Senate to a bill originating in the House, or shall refuse to adopt a substitute adopted by the Senate for a bill originating in the House, a conference committee shall be appointed upon motion made, consisting of the number named in the motion; and the bill under consideration shall thereupon go to and be considered by the joint conferees on the part of the House and Senate.

(b) Only such matters as are in difference between the two houses shall be considered by the conferees, and the conference report shall

deal only with such matters. The conference report shall not be amended.

(c) Except as herein set out, the rules of the House of Representatives of Congress shall govern the appointment, conduct, and reports of the conferees.

VIII. Legislative Officers and Employees

RULE 46. *Elected Officers.* The House shall elect a Principal Clerk, a Reading Clerk and a Sergeant-at-Arms. The Principal Clerk shall continue in office until another is elected.

RULE 47. *Assistants to Principal Clerk and Sergeant-at-Arms.* The Principal Clerk and the Sergeant-at-Arms may appoint, with the approval of the Speaker, such assistants as may be necessary to the efficient discharge of the duties of their respective offices.

RULE 48. *Speaker's Clerk, Chaplain, and Pages.* (a) The Speaker may appoint a Clerk to the Speaker, a Chaplain of the House, and pages to wait upon the sessions of the House.

(b) When the House is not in session, the pages shall be under the supervision of the Principal Clerk.

RULE 49. *Committee Clerks.* (a) The Speaker may assign a clerk to such committee(s) as he may deem necessary and appropriate.

(b) Whenever the Speaker deems it advisable, he may assign a clerk to act for two or more committees.

(c) The leader of the minority party may, with the approval of the Speaker, be assigned a clerk.

(d) By and with the consent and approval of the Chairman of any of the above committees, the clerk of said committee may be assigned to special duty with other committees under the supervision of the Principal Clerk of the House.

RULE 50. Compensation of Clerks. (a) No clerk, laborer, or other person employed or appointed under Rules 47, 48, and 49 hereof shall receive during such employment, appointment, or service any compensation from any department of the State Government, or from any other source, and there shall not be voted, paid or awarded any additional pay, bonus or gratuity to any of them, but they shall receive only the pay now provided by law for such duties and services.

(b) Any bill or resolution changing the compensation of House personnel shall originate from the Rules Committee upon approval of the Speaker.

IX. Privileges of the Hall

RULE 51. Admittance to Floor. No person except members, officers and employees of the General Assembly and former members of the General Assembly who are not registered under the provisions of Article 9 of Chapter 120 of the General Statutes of North Carolina shall be allowed on the floor of the House during its session, unless permitted by the Speaker or otherwise provided by law.

RULE 52. *Admittance of Press.* Reporters wishing to take down debates may be admitted by the Speaker, who shall assign such places to them on the floor or elsewhere, to effect this object, as shall not interfere with the convenience of the House.

RULE 53. *Extending Courtesies.* Courtesies of the floor, galleries or lobby shall not be extended by the Speaker on behalf of any member except upon the Speaker's motion and by written request.

RULE 54. *Order in Galleries and Lobby.* In case of any disturbance or disorderly conduct in the galleries or lobby, the Speaker or other presiding officer is empowered to order the same to be cleared.

X. General Rules

RULE 55. *Attendance of Members.* No member or officer of the House shall absent himself from the service of the House without leave, unless from sickness or disability.

RULE 56. *Documents to be Signed by the Speaker.* All Acts, addresses, and Resolutions and all warrants and subpoenas issued by order of the House shall be signed by the Speaker or other presiding officer.

RULE 57. There shall be no printing or reproducing of paper(s) that are not legislative in essence except upon approval of the Speaker.

RULE 58. *Placement of Material on Members' Desks.* Persons other than members of the

General Assembly, officers or staff thereof shall not place or cause to be placed any materials on members' desks without obtaining approval of the Speaker. Any printed material so placed shall bear the name of the originator.

RULE 59. *Rules, Rescission and Alteration.*

(a) No standing rule or order shall be rescinded or altered without one day's notice given on the motion thereof, and to sustain such motion two-thirds ($\frac{2}{3}$) of the members present and voting shall be required.

(b) Except as otherwise provided herein, the House upon two-thirds ($\frac{2}{3}$) vote of the members present and voting may temporarily suspend any rule.

RULE 60. *Limitation on co-sponsorship of Bills and Resolutions.* Any member wishing to co-sponsor a bill or resolution which has been introduced may do so by appearing in the office of the Principal Clerk for such purpose within one-half hour following the adjournment of the session during which such bill or resolution was introduced.

RULE 61. *Correcting of Typographical Errors.* The Legislative Services Officer may correct typographical errors appearing in House bills or resolutions provided that such corrections are made before ratification and do not conflict with any actions or rules of the Senate and provide further that such correction be first approved by the Chairman of the Rules Committee, the Speaker or other presiding officer.
